Don't know.....	1%

**Center for American Progress Action Fund
Survey of the Florida Puerto Rican Electorate**

17. While Puerto Ricans are American citizens, we are interested in your views on immigration. Which candidate would you be more likely to vote for if one candidate: [rotate]

- a) Supports immigration reform that includes a path to citizenship for undocumented immigrants who have lived in the United States for many years, pass a background check, and pay a fine, and the other candidate b) Wants to allow undocumented immigrants to apply for legal resident status, but never have the chance to become an American citizen.

Would you be more likely to vote for the candidate who supports reform with a path to citizenship, or the candidate wants legal status, but no chance for citizenship?

Candidate who supports path to citizenship	77%
Candidate who supports legal status but no citizenship..	12%
Would make no difference (vol, don't ask).....	7%
Don't know.....	5%

18. Thinking about the upcoming election in November and education issues, which candidate would you be more likely to support if one candidate [rotate]:

- a) Wants to expand pre-kindergarten programs for all families, and spend more on improving public school buildings, and computer science education, and the other candidate b) Wants to close the United States Department of Education, and all of the programs it supports.

Would you be more likely to vote for the candidate who wants to expand Pre-K and spending on improving public schools, or the candidate who wants to close the Department of Education?

Candidate who supports pre-K/public schools	84%
Candidate who supports closing Dept of Education.....	11%
Would make no difference (vol, don't ask).....	2%
Don't know.....	3%

**Center for American Progress Action Fund
Survey of the Florida Puerto Rican Electorate**

19. On the issue of climate change, which candidate would you be more likely to support if one candidate [rotate]:

a) supported setting high standards to fight air pollution, and programs to increase clean energy use and jobs related to clean energy, and the other candidate b) believes environmental protection policies hurt businesses, and there is not enough evidence to say that climate change or global warming are real.

Would you be more likely to vote for the candidate who supported increasing clean energy jobs and use, or the candidate thinks environmental protections hurt business and climate change is not real.

Candidate who supports clean energy jobs/use	80%
Candidate who does not believe climate change real	13%
Would make no difference (vol, don't ask).....	4%
Don't know.....	3%

20. Now, thinking about the November election and the issue of the Zika virus, which candidate would you be more likely to support if one candidate [rotate]:

a) Supported providing emergency funding to Florida to help prevent the spread of Zika, treat those affected, and support medical and scientific research on the virus, and the other candidate b) opposed providing emergency funds to Florida to deal with the Zika outbreak or fund prevention efforts

Would you be more likely to vote for the candidate that supports emergency funding to Florida to prevent and treat Zika, or the candidate who opposes providing emergency funding to address Zika in Florida?

Candidate who supports emergency Zika funding in FL..	85%
Candidate who opposes emergency Zika funding in FL....	8%
Would make no difference (vol, don't ask).....	6%
Don't know.....	1%

**Center for American Progress Action Fund
Survey of the Florida Puerto Rican Electorate**

21. And now, on the issue of health care and insurance coverage, if one candidate supported expanding Medicaid so that more low-income people had health insurance, and the other candidate opposed expanding Medicaid.

Would you be more likely to vote for [ROTATE answer options 1 and 2] the candidate who supports expanding Medicaid, OR the candidate who opposes expanding Medicaid, or would that have no effect on your vote?

Vote for candidate who supports expanding Medicaid.....	76%
Vote for candidate who opposes expanding Medicaid	9%
Have no effect.....	13%
Don't know.....	2%

22. What about on the issue of minimum wage? If one candidate supported raising the minimum wage to \$15 dollars an hour, and another candidate said opposed it, saying low wages are not really bad for the country,

Would you be more likely to vote for [ROTATE answer options 1 and 2] the candidate who supports raising the minimum wage to \$15 an hour, OR the candidate who opposes raising the minimum wage, or would it have no effect on your vote?

Vote for candidate who supports raising min wage.....	74%
Vote for candidate who opposes raising min wage	16%
Have no effect.....	9%
Don't know.....	1%

23. Now thinking about Puerto Rico and this upcoming election, if one candidate supported helping the Puerto Rican government address the financial crisis, and provide economic help to the people of Puerto Rico, and another candidate said Puerto Rico had too much debt and cannot be bailed out,

Would you be more likely to vote for [ROTATE answer options 1 and 2] the candidate who supports aid to Puerto Rico, OR the candidate who opposes financial to Puerto Rico?

Vote for candidate who supports aid to Puerto Rico	82%
Vote for candidate who opposes aid to Puerto Rico.....	8%
Have no effect.....	7%
Don't know.....	4%

**Center for American Progress Action Fund
Survey of the Florida Puerto Rican Electorate**

24. When it comes to the status of Puerto Rico, which is closer to your opinion?[randomize]

Puerto Rico should become the 51 st state	56%
Puerto Rico should remain as it is today, a commonwealth	25%
Puerto Rico should become independent country, not part of the U.S.....	8%
I don't have a strong opinion about the issue either way	12%

25. When it comes to elections and voting, how much do you consider candidate views on Puerto Rico, and issues on the island in deciding who you will support? Is it...

Candidate views on Puerto Rico and the island are very important when deciding who I will support..... 55%

Candidate views on Puerto Rico and the island are somewhat important when deciding who I will support..... 23%

Candidate views on Puerto Rico and the island are not very important when deciding who I will support..... 8%

Candidate views on Puerto Rico and the island do not matter at all when deciding who I will support..... 10%

Don't Know 5%

Methodology

Latino Decisions interviewed a total of 504 Puerto Rican registered voters in Florida between September 17-September 26, 2016. Interviews were conducted in English or Spanish, according to the respondent's choice. Surveys were completed using a blended sample that included online surveys (25%), and live telephone interviews (75%) on landlines and cell phones. The survey carries a margin of error of +/-4.4 percentage points.
